

DECLARATION OF PLAINTIFF CHARLENE JAMES

I, **CHARLENE JAMES**, hereby declare under penalty of perjury under the laws of the United States of America that the following is true:

1. I was a security guard worker employed by T&H Security, Inc., Citadel Special Events Services, Inc. and their owners/managers, Thomas Ferrara, Reida Ferrara, and Tyrone A. Yoris (together "Defendants") from on or about January 2003 until on or about January 9, 2008 (the "time period").

2. I worked as a security guard for Defendants at a number of locations including but not limited to: The Jacob Javitz Center (located at 34th Street and 11th Ave.), Piers 92 and 94 (located on 54th street and 12th Ave.), The Nokia Theatre located at about 43rd Street), The Metropolitan Pavilion, and Bryant Park (located at 42nd Street between 5th and 6th Avenues).

3. Upon information and belief I worked for Defendants with at least 40 other similar security guard employees who had the same duties as myself.

4. My duties did not include managerial responsibilities or the exercise of independent business judgment.

5. During the time period, I worked an average of 60 hours per week.

6. Defendants first paid me an hourly wage of from \$10.00 per hour and then on or about June 2007 increased my hourly rate to \$11.00.

7. Defendants did not pay me time and one half for any of my hours worked over 40 in a week ("overtime").

8. Defendants did not pay me my regular hourly rate for all of the hours that I worked.

9. I was required to wear a uniform provided by the Defendants but was never paid for the cost of cleaning the uniform.

10. I was signed in and out by my supervisor in a daily log book kept by Defendants. Often my supervisor signed me out as of a time which was earlier than the time that I actually stopped working. Accordingly, the sign-out sheets often did not reflect the time that I actually signed out.

11. I have attached as Exhibit A a copy of certain of my payroll receipts and time records, demonstrating that I was not paid by Defendants for all my hours worked and was not paid by Defendants time and one half for my overtime hours worked.

12. In addition to myself, during the time period, I am aware and have personal knowledge of other persons employed by Defendants as security guard workers who performed the same or similar work as myself. Upon information and belief, Defendants hired at least 40 of such similar security guard workers.

13. I and the other similar security guard employees regularly worked more than 40 hours per week for Defendants.

14. I and these other similar security guard employees worked more than 40 hours per week and were not paid time and one half for our overtime hours.

15. I know that others like me worked overtime and were not paid overtime by Defendants because I observed the other security guard employees working more than 40 hours in a week and discussed the issue with certain of these other similar security guard employees, who said that they worked more than 40 hours per week and that Defendants did not pay them time and one half their regular hourly rate for their overtime hours and did not pay them even at their regular hourly rate for all the hours that they worked. They

all have stated to me that they worked as security guard workers for Defendants and worked more than 40 hours per week and were not paid time and one half for their hours worked over 40 in a workweek.

16. I repeatedly complained to my supervisor, Ian, about not being paid time and one half for overtime. He told me that Defendants had a policy not to pay overtime at time and one half to any security guard employees and said that I was not entitled to overtime because I worked for a private company.

17. Throughout the time period that I worked at Defendants, and, upon information and belief, both before that time and continuing until the present, Defendants have likewise employed other individuals, like myself, in positions as security guard workers.

18. Such individuals have worked in excess of 10 hours per day and/or 40 hours a week, yet the Defendants have likewise willfully failed to pay them overtime compensation of one and one-half times their regular hourly rate.

Dated: March 14, 2008

The image shows a handwritten signature in black ink, which appears to read "Charlene James". Below the signature, the name "CHARLENE JAMES" is printed in a smaller, sans-serif font, likely a typed version of the handwritten name.
